

STATE PLAN UNDER TITLE XIX OF THE SOCIAL SECURITY ACT

MEDICAL ASSISTANCE PROGRAM

State of Colorado

Relations with State Health and Vocational
Rehabilitation Agencies and Title V Grantees

The Colorado Department of Social Services (Medicaid agency) has agreements with the Colorado Department of Health (Title V Grantees) for the purpose of defining mutual objectives, the roles and responsibilities of each of the parties and payment methodology. There are several agreements with the Department of Health dealing with family planning services, the Handicapped Children's Program, administrative outreach and case management under EPSDT, the Colorado Infant Immunization Program, the licensing and certification of nursing homes and hospitals, and inspection of care in nursing homes.

The Colorado Department of Health, as the Title V grantee organization, will be reimbursed based upon cost with appropriate differentiation between administrative costs matchable at the Federal Medicaid Assistance Percentage (FMAP) for the applicable agreements.

Within the Department of Social Services, the Division of Health and Medical Services and the Division of Vocational Rehabilitation also have an agreement designed to facilitate and maximize the delivery of services to mutual recipients of these programs. The agreement describes services provided, method of delivery of services, planning and evaluation methods, case management commitment of resources, roles and responsibilities of parties to the agreement.
